**ELEVENTH JUDICIAL CIRCUIT

FOR IMMEDIATE RELEASE

**Statement from State Attorney Katherine Fernandez Rundle
Regarding “Ghost Candidates”**

Miami (March 26, 2021)

We, here in Miami-Dade, have had a long history of working closely on cases and investigations with our Federal law enforcement partners. Given the potential multi-state and multi-jurisdictional aspects of what has been outlined so far concerning these Florida elections, a cooperative investigational approach can offer the best option to fully uncover the truth and may supply the most aggressive approach aimed at keeping our election process clean and transparent.
