**Statement of Katherine Fernandez Rundle on Alexis Rodriguez Plea
Agreement**

Miami (August 24, 2021)

“The credibility and integrity of every vote is the foundation upon which our democracy is based.

Alexis Rodriguez’ plea agreement today relating to his recruitment as a “fake” candidate in Florida’s Senate District 37 election is an important step in the effort to restore honesty to Florida’s election process which has been tarnished too long by almost invisible, independent and write-in candidates.

Mr. Rodriguez’ critical testimony will shed light on the dirty election tricks used to steal our democracy and is the price he is paying for helping rob our community of its right to honest representation.”
