State Attorney Katherine Fernandez Rundle underscored the Office's ongoing commitment to safeguarding the integrity of the election process:

"My office, together with our local law enforcement partners, are committed to ensuring that our elections remain trouble-free and that every voter can cast their ballot freely and without obstruction. When a voter calls our election hotline, State Attorney's Office personnel will be available and dispatched to evaluate and address the situation promptly."

To support this effort, investigators and civilian staff from the State Attorney's Office will be present at designated voting locations throughout scheduled voting hours, aiding and monitoring for any irregularities.
